**MT**NEWSWIRES

Live Briefs PRO Global Energy is a high-frequency, real-time news service delivering original-source coverage across the global energy landscape. Designed for institutional investors, traders, analysts, and professionals in commodities, energy, and financial markets, the service offers fast, actionable insights across oil, natural gas, power, and biofuels.

## Core Coverage Areas\*

### Oil Markets

Intraday updates on key benchmarks like WTI and Brent, insights into futures and derivatives, OPEC+ developments, macroeconomic impacts, and company news from major players such as ExxonMobil and Saudi Aramco.

### Biofuels

Keep track of ethanol, biodiesel, and renewable diesel markets, providing daily updates, regulatory news, and supply chain developments from companies like Valero, BP, and Cargill.

### Natural Gas

Global spot and futures prices, LNG infrastructure, pipeline flows, storage levels, and geopolitical risks, with updates from leading firms like Shell and Gazprom.

### Power (Electricity)

Coverage spans all major generation types and includes regulatory updates and company news from utilities like NextEra and Duke Energy.

Global energy markets don't just power economies—they move them. From oil and gas price swings to renewable breakthroughs and geopolitical shocks, energy is a key driver of inflation, corporate earnings, and market volatility. Live Briefs PRO Global Energy allows investors to anticipate macro trends, hedge risk, and spot opportunities across equities, commodities, and currencies. Whether it's an OPEC+ decision, LNG supply disruption, or a clean energy surge, staying informed means staying ahead.
